Diploma of Human Resources Management
BSB50615

Are you a people person?

Good businesses need good people, and more importantly, they need even better people to hire and support that workforce. This diploma course will expose you to the relevant skills and knowledge required to succeed in managing personnel, including monitoring human resource systems and processes, guiding workforce planning and recruitment, and monitoring the performance of employees.

If you want to be a professional people person and work with people rather than just data, then the Diploma of Human Resources Management is your perfect match.

People are depending on you!
