

Ready for your dream career? We can get you there.

Start on the path to a new career in October 2018, with credit earned from VET qualifications enabling you to complete a degree faster.

If you have completed a diploma qualification (or higher) you may be eligible to enter into the second year of a related Bachelor degree. This will mean you can complete your University qualification sooner, saving you time and money.

There is no need to wait until next year, we have a range of flexible degrees commencing in October. With your diploma or Cert IV you may be eligible for a credit transfer which could take six months or a year off your degree.

Why wait? Take the first step now!

1. If you have any questions contact us now on 1800 626 481 (free call within Australia) or futurestudent@scu.edu.au to speak with a course advisor.
2. Start studying with us in October 2018. Apply now at ourcourses.scu.edu.au

Why choose Southern Cross University?

At Southern Cross University we understand that the world is a rapidly changing place. There is an increasing trend for people to have multiple careers and jobs over a lifetime, a growth in automation and an increasingly globally-connected workforce.

That's why as a young university we focus on creating a learning environment that facilitates the best opportunities for our graduates in jobs of the future.

We provide outstanding student support services to help you **connect and prepare** for the academic demands of a degree.

We provide flexible study options to suit your lifestyle; you can study online, on campus, part-time or full-time, and choose to study in one, two or three teaching sessions across the year.

Our career service team can help to set you up with an internship while you study and provide support to help you get the job you want when you graduate. We are proud that our graduates enjoy above average starting salaries and strong employment rates across many of our degrees.

* Outstanding student support

† Top 100 universities under 50 years old

* Excellent rates of graduate employment

* Above average graduate starting salary

Regional uni with a global focus
