Australia's training system - also known as vocational education and training (VET) – supports economic adaptation and productivity and is focused on delivering the skilled workers that businesses need.

The VET system supports people gaining skills to secure and maintain rewarding and sustainable employment.

Skills and training are at the centre of Australia's economic agenda.

Our VET sector is training over three million students annually, providing students with the opportunity to:

- Gain the skills they need to enter the workforce for the first time
- Re-enter the workforce
- Upgrade their skills for an existing job
- Retrain for a new job

- Gain new qualifications
- Get credit towards higher qualifications

Real skills lead to real outcomes

Information gathered by The National Centre for Vocational Education Research (NCVER) in 2013 shows that graduates of the VET sector (6 months after completing their studies) experienced the following outcomes:

- Graduates working full time after training earned \$57, 400 per year on average
- 78% were employed
- 88% were employed or engaged in further study
- 35% continued further study
- 78% of graduates found the training relevant to their current job
- 88% were satisfied with the overall quality of training
- 82% achieved their main reason for training

Student Selection and Recruitment

Recruitment of students will be responsible, ethical and consistent with training package requirements at all times. Aurora Training Institute is committed to non-discrimination in any form and at all times complies with equal opportunity and anti-discrimination legislation.

There may be pre-requisites before commencing a program due to health and safety, language literacy and numeracy requirements or the nature of the program. Appropriately, qualified persons will assess the extent to which the applicant is likely to achieve the stated competency standards and outcomes of the course, based on the applicant's qualifications and proficiencies. Participation in training is subject to payment of all fees and charges.

Entry Requirements

Please contact Aurora Training Institute to check for any pre-requisites that are required for entry.

Enrolment Procedure

A completed enrolment form is required to advise all details necessary to register a student. All questions should be answered and the student's signature should appear under the certification section or electronic acceptance acknowledged.

The enrolment form may be posted, completed on premises, or submitted online. If a student is completing an apprenticeship or traineeship then additional enrolment forms must be completed. Please speak to a member of our team for further information.

Arrangements are then made for the payment of course fees.

When the completed enrolment information is received, the student is allocated a permanent identification number and enrolled into their allocated course. Students need to provide us with their USI (Unique Student Identifier) number upon enrolment, or give us permission to create a USI on their behalf to enable us to issue them with a certificate at the successful completion of their qualification.

A copy of the Student Handbook is available to all students prior to commencement of study. The Student Handbook also advises about certification procedures, assessment procedures, complaints and appeals procedures, facilities and equipment and student support services.

FEES AND CHARGES

Fees and Charges

A copy of our fees and charges can be obtained by contacting Aurora Training Institute.

User Choice

Student contribution fees are an apprentices/trainees contribution to the cost of tuition and must be paid in line with Commonwealth Government funding:

- The current fee is calculated at \$1.60 per nominal hour for each unit of competency delivered/assessed. Each unit you undertake as part of your traineeship or apprenticeship will have a number of nominal hours in which the unit should be completed.
- The contribution fees are payable in instalments for the duration of your training. For example:
 - Commercial Cookery – 4 equal payments at 3, 6, 9 and 12 months
 - Telecommunications – 2 equal payments at enrolment and 6 months
 - Industry based traineeships (which are not Commercial Cookery or Telecommunications) – 2 equal payments at 6 months and 12 months

The student contribution fee can be paid by the Employer on behalf of the student.

Any changes to units of competency in a training plan will cause the student contribution fee to be recalculated and any adjustments required must be made to either party.

School-based apprentices or trainees are exempt from the student contribution fee.

Where payment of the student contribution fee will cause extreme financial hardship the apprentice or trainee may be exempt from paying this fee. Extreme financial hardship is categorised as a situation where the apprentice or trainee would have to forego food, shelter or a basic necessity of living in order to pay the fee. If extreme financial hardship is a consideration, apprentices or trainees are required to communicate this to Aurora Training Institute at time of enrolment for assessment.

A partial exemption may also apply if the apprentice or trainee meets one of the following exemptions:

- The Participant was/will be under 17 at the end of February in the year in which training is provided, and is not at school and has not completed year 12;
- The Participant holds a health care card or pensioner card issued under Commonwealth law, or is the partner or a dependant of a person who holds a health care card or pensioner concession card, and is named on the card;
- The Participant provides an official form under Commonwealth law confirming that the Participant, his or her partner or the person of whom the Participant is a dependant, is entitled to concessions under a health care card or pensioner concession card; or
- The Participant is an Aboriginal or Torres Strait Islander person. Acceptable evidence is as stated on the Training Contract and AVETMISS VET Enrolment Form.

WITHDRAWAL PROCEDURE

Withdrawal Procedure for VET STUDENT LOANS (VSL) Students

How do I withdraw?

Students seeking to withdraw from a VET course or VET unit of study without incurring a VSL debt, must complete the formal Withdrawal Application Form for every unit of study the student wants to withdraw from by the census date, including any units for future study periods.

Withdrawal must be made in writing and submitted to Student Services in time for it to be delivered and processed by the census date.

Students should keep a copy of the withdrawal documentation as confirmation that the correct procedure was completed.

Contact Aurora Training Institute to ensure you withdraw your enrolment by the census date and in accordance with the required procedures to avoid incurring the cost or debt of the unit.

What happens if I withdraw from a unit?

a. Before the census date

Students that lodge their Withdrawal Application Form on or before the census date for that unit of study will be granted a withdrawal without penalty. 100% tuition fees paid for that unit will be refunded and no VSL debt is incurred.

b. After the census date

Students that lodge their Withdrawal Application Form after the census date for that unit of study are still liable to pay the tuition fees of that unit of study and will incur a VSL debt, regardless of whether the student attended any classes or handed in any assessment items.

Students who withdrew from the unit of study after the census date because of serious illness or other special circumstances, can apply to Aurora Training Institute to have their FEE-HELP balance re-credited and VSL debt removed. Contact Aurora Training Institute directly for information on the application process. (See Special Circumstances below).

When a student fails a unit of study

A student still has to pay the debt if they fail a unit of study, regardless of whether they attended any classes. They are also required to pay for that unit a second time if they choose to enrol in it again. If special circumstances apply (see below), the student may apply to Aurora Training Institute for their FEE-HELP balance to be re-credited, or their VSL debt to be removed.

Special Circumstances

Special Circumstances, covering a range of unexpected, extenuating and compassionate circumstances, are those which were outside the control of the student and/or for which there was no opportunity to prepare in advance.

For Aurora Training Institute to be satisfied that special circumstances apply to you, you must be able to prove that the circumstances:

- Were beyond your control
- Did not make their full impact on you until on or after the census date, and
- Made it impracticable for you to complete your unit(s) of study.

Documentary evidence will be required to support your claim for Special Circumstances, and decisions will be made on an individual basis.

If Aurora Training Institute makes the decision not to re-credit a student's FEE-HELP balance, the student then has the right to apply for a review of the decision.

Students need to submit their application for special circumstances to Aurora Training Institute within 12 months of the withdrawal day.

For more information, refer to the Refund Policy below.

LANGUAGE, LITERACY AND NUMERACY (LLN) SUPPORT

Students may be assessed in order to ascertain if their Literacy and Numeracy skills are sufficient to successfully undertake the training program. This is usually via interview or completion of an exercise contained in the proposed training program.

Foundation Skills

Aurora Training Institute has a program designed to assist students enrolling in lower level qualifications who may require support with LLN. Students complete a Pre-Training Assessment tool and from this we establish the student's specific needs and requirements. Once the required units are completed or students feel confident enough, students will be able to progress into a Certificate III qualification.

Individuals may wish to seek additional help with their literacy and numeracy and can access information about their nearest LLN provider by calling The Reading Writing Hotline on 1300 655 506 or refer to their website at www.literacyline.edu.au. Any costs incurred will be the responsibility of the student.

Access and Equity issues are considered during training, product development and in training and assessment.

FLEXIBLE LEARNING AND ASSESSMENT

Competency Based Training and Assessment

Competency-based training (CBT) is an approach to vocational education and training that places emphasis on what a person can do in the workplace rather than what they know as a result of completing a program of training.

Competency-based training programs are made up of units broken into segments which are called elements. These are based on standards set by industry, and assessments are designed to ensure each student has achieved all the elements (skills and knowledge) required by each unit in order to gain their course qualification. Each course is made up of the required number of core units and elective subjects which have been chosen to offer you the best all round knowledge and skills base.

Assessment methods are detailed in the Training and Assessment Strategy (TAS) for each course. Aurora Training Institute applies the principles of validity, reliability, fairness, and flexibility in all assessments.

The objective of assessment is for the student to show that they have achieved competency in the unit(s). Students may be assessed by one or more of the following methods.

- Observation
- Oral questioning
- Case study
- Multiple choice
- Written short answers
- Project
- Or any other method outlined in the Training and Assessment Strategy (TAS).

Students will be advised of the assessment methodology before training commences.

Training and Assessment Standards

Aurora Training Institute staff are appropriately qualified and experienced to deliver the training and assessment offered. Assessments will meet national assessment principles including recognition of prior learning and credit transfer. Sufficient training materials and physical resources will be provided to you in order for you to achieve the learning outcomes of the training program. Appeals procedures are in place for students who are not satisfied with assessment or training.

Flexible Learning

Aurora Training Institute provides students with learning flexibility by taking their personal situations into consideration so as:

- a. To maximise learning outcomes, and
- b. To optimise access to learning activities.

Any flexible arrangements agreed to must never the less adhere to the course assessment standards and requirements.

Structured training may be conducted in a classroom, in the workplace, online or a mix of all methods; it may be delivered in various modes including face to face interaction, online interaction, or correspondence.

Students should initially discuss possible flexible arrangements with their trainer. If the desired change is deemed feasible, authorisation should then be obtained from the Managing Director.

ASSESSMENT POLICY

Aurora Training Institute is committed to developing and providing assessment tools of the highest quality to ensure qualification outcomes are met for both our students and that comply with AQF requirements. To this end, Aurora will ensure that:

1. Assessments are developed and implemented in consultation with industry and RTO partners
2. Assessments address the elements, performance criteria, performance evidence, knowledge evidence and assessment conditions as outlined in AQF unit.
3. Assessments offer a variety of assessment methods to ensure that all students have the opportunity to demonstrate their competence.
4. Assessments adhere to the:
 - a. Principles of assessment
 - b. Rules of evidence
 - c. Dimensions of competency
5. Assessment tools are validated on a scheduled basis as part of an internal audit process and in line with the Standards for RTOs 2015.
6. Students receive full and detailed instructions on the requirements of each assessment, prior to commencement.
7. In the event of a 'not yet competent' outcome the student will have an opportunity to re-do the assessments for that unit at no cost. Should the result of the resit be an outcome of 'not yet competent' one more resit is allowed at a cost of \$75.00 per assessment. If, after re-doing the assessment(s), the student still does not meet the necessary criteria for competency he/she must redo the entire unit (cost on application) in order to achieve the full qualification. Every effort will be made by the staff of Aurora to ensure a successful outcome for its students.
8. Should a student not agree with the outcome of an assessment or any other issue the appeals procedure is to be followed.
9. For students who are enrolled into Diploma Courses all assessments must be submitted prior to the completion date of the block (unit of study). It is strongly recommended that all assessments are submitted at least four (4) weeks prior to the completion date allowing for trainer feedback and a re-submission if required. Note: only 1 re-submission is allowed and must be submitted prior to the nominated completion date.

Apprenticeships and Traineeships

At the commencement of an apprenticeship or traineeship, the apprentice/trainee is provided with a training plan which outlines where, when and how the training is to take place.

If an apprentice/trainee exceeds or does not meet the requirement of the proposed training dates, then the training plan must be revised and signed by all parties.

RECOGNITION OF PRIOR LEARNING (RPL)

Recognition of Other Qualifications/Credit Transfer

Aurora Training Institute recognises Australian Qualification Framework qualifications and Statements of Attainment which are issued by any other Registered Training Organisations.

Students may be entitled to a credit transfer in the following circumstances:

- Completed units of competency from a relevant National Training Package.
- Approved units of competence from a National Training Provider.
- Successful RPL application.

Recognised Prior Learning (RPL)

Students who have completed appropriate training or who, through prior learning and experience, have gained the required skills/competencies stipulated for the modules of the course may be granted credit upon substantiation of that claim. Students who believe this applies to them, may make an application for RPL.

Aurora Training Institute advises all applicants of RPL opportunities and procedures upon enrolment. The 'performance criteria' of the course module sets the RPL benchmark and evidence for credit of prior learning may include:

- Evidence of current competencies
- Performance, demonstration or skills tests
- Workplace or other pertinent observation
- Oral presentation
- Portfolio, logbook, task book, projects or assignments
- Written presentation
- Interview
- Simulations

There are a number of stages in the RPL process. These include:

- Information stage
- Initial support and counselling stage
- Application stage
- Assessment stage
- Post assessment guidance stage
- Certification stage

A candidate may appeal and unsuccessful claim (see complaints and appeals).

Suitable, qualified, and experienced Aurora Training Institute staff will manage the RPL process. A candidate may receive recognition for all competencies required for the course module, or recognition of high standing. High standing recognition indicates that some but not all competencies for the course module have been attained.

Evidence considered for assessment is the RPL application form plus a wide range of supporting documentation or other evidence. Initial assessments are conducted with candidates self-assessing against the learning outcomes of the modules. Assessments are evaluated by the Managing Director or a panel consisting of a course/subject expert and the Managing Director.

If further evidence is required then this is negotiated with the candidate. The process may take any practical form consistent with the assessment criteria for the claimed competencies and the principles of validity, reliability, fairness and flexibility. It may include a further interview, written assignment, workplace assessment or collection of other material. A qualified assessor must conduct the assessment.

The RPL applicant is advised promptly of the RPL outcome. If the application is not successful, the reasons are given and unsuccessful applicants are advised of the appeal mechanisms. 'Top up' learning options or 'Gap Training' prior to a second assessment will be suggested. 'Competent' is recorded on the student's record if recognition is granted.

COMPLAINTS AND APPEALS

1. As part of Aurora Training Institute's commitment to providing a fair, safe and productive learning environment, students, parents and guardians of students under 18 years of age, and individuals seeking to enrol, have the right to lodge a grievance if they believe they have been treated in a manner which is likely to have an unreasonable negative impact on them. This right applies regardless of the location of the campus at which the grievance has arisen, the Student's place of residence or the mode in which they study.
2. Grievances will be managed equitably, fairly and in a confidential and timely manner. Every attempt will be made to ensure that complainants and respondents are protected from victimisation and discrimination in any of the stages described in the procedure.
3. Grievances may be of an academic or non-academic nature:
 - a. Academic grievances relate to:
 - i. Student learning materials and resources
 - ii. Assessment tools, methods and processes
 - iii. Outcome of assessment processes
 - iv. Training delivery methods
 - v. Quality of training staff
 - b. Non-academic grievances may relate to:

- i. Administrative processes
 - ii. Customer service related issues
 - iii. Fees and charges
 - iv. Any other issues not directly related to training delivery and assessment
4. Informal processes will be used to resolve issues where possible and prior to initiating formal or external grievance processes.
5. The respondent to a grievance has the right to respond to the matters raised.
6. A person raising a formal grievance has the right to lodge an appeal and students will have their enrolment maintained while the grievance procedure is ongoing.
7. Complainants and respondents to a grievance have the right to be accompanied or supported by a third party at any relevant meeting (including informal and formal) of the procedure.

Complaints and Appeals Procedures (Academic and Non-Academic)

Stage 1: Informal Complaint or grievance

In the event of a complaint or grievance, the student is required to follow the following procedures to ensure the issue is resolved.

- 1.1 If a student wishes to lodge a complaint they should raise their concerns with the party or parties concerned as soon as possible.
- 1.2 The staff member who receives the complaint should determine, as far as possible, what the complainant wants to achieve: they may wish, for example, simply want to have their point of view heard; or they may wish to take the complaint further.
- 1.3 If the student feels unable to approach the individual/s concerned directly or are not satisfied with the initial response to their grievance, they should then take their complaint to the next, more formal level.

Stage 2: Formal complaint or grievance

- 2.1 Where an informal complaint cannot be resolved, the student must bring the matter to the attention of:
 - Their trainer, or
 - The Aurora administration staff, or
 - The Aurora training manager
- 2.2 The student is required to lodge their complaint in writing. A “Student Complaint Form” is available on request from Aurora administration staff. The student must:
 - a. Fill out all required details on the form and attached any relevant documentation.
 - b. Submit the form to Aurora Training Institute via the contact email or postal address provided on the form.

- 2.3 All internal investigations of complaints, reviews and appeals are provided at no cost to the complainant.

Stage 3: Internal review

Investigation of the complaint or grievance

- 3.1 Upon receiving the student's completed Student Complaint Form Aurora staff will investigate the student's claim.
- 3.2 The initial investigation will conclude with a recommended course of action that specifically addresses the grievance within five (5) working days of receipt of the complaint.
- 3.3 Where necessary a meeting between complainant and any other stakeholders involved will be arranged to endeavour to resolve the matter.
- 3.4 Where such a meeting takes place, Aurora Training Institute agrees that the complainant may be accompanied and assisted by a third party.
- 3.5 Where the matter cannot be resolved by relevant staff member, the company Director may be asked to assist in the resolution process.
- 3.6 A written statement documenting the outcome of the complaint, including details of the decision made, will be provided to the complainant within five (5) working days of the resolution being determined or as agreed to between both parties.
- 3.7 A written statement documenting the outcome of the complaint including the details of the reasons for the outcome will be provided to the complainant and kept on record for continuous improvement processes.
- 3.8 Aurora Training Institute seeks to prevent appeals by ensuring students are satisfied with the training and assessment process. All staff are expected to be fair, courteous and helpful in all dealing with students. Should a complaint never the less be made, this will be treated seriously, investigated thoroughly and dealt with according to the merit of the complaint.

Stage 4: Appeals and external review

Should a complainant not agree with the complaint resolution, an appeal may be lodged:

- 4.1 If the aggrieved party is dissatisfied with the resolution, they have the right to appeal. Appeals must be made within twenty one (21) days of receiving the complaint resolution. The circumstances of any appeal are analysed by an independent senior manager of Aurora Training Institute (this person will have no previous connection or involvement with the original complaint). A written statement documenting the outcome of the appeal will be provided to the complainant within five (5) working days of receipt of the appeal.

- 4.2 Should the student continue to be dissatisfied with the outcome of a complaint and appeal they may request that matter be referred to an external dispute resolution process by a body appointed for this purpose. The details for the external body are:

Resolution Institute
Level 2, 13-15 Bridge St, Sydney NSW 2000
Ph: (02) 9251 3366 Fax: (02) 9251 3733
Freecall: 1800 651 650 Email: infoaus@resolution.institute

- 4.3 The process of external dispute resolution has associated costs and it is recommended that complainants inquire about this liability prior to progressing to this stage. Aurora Training Institute can provide details of this cost upon inquiry.
- 4.4 Upon resolution Aurora Training Institute will take the necessary steps to implement any recommendations arising from the external dispute resolution process within ten (10) working days.

Stage 5: Record keeping

- 5.1 A full and detailed record of the complaint process, including all documentation and meeting minutes will be kept on the student file. Documented records are maintained by Aurora Training Institute for a period of no less than five (5) years.
- 5.2 Records can be accessed by the student by written request
- 5.3 All student records are confidential and private.

Stage 6: Publication

Aurora Training Institute's Complaints and Appeals policy and procedure is made available and published by way of:

- 6.1 Aurora Training Institute Student handbook
