

School-based apprenticeships and traineeships

ICT30519

Certificate III in Telecommunications Technology

12 - 24 months

On the Job Delivery

Up to 8 credits towards
your QCE

Proud to be a Queensland Government
subsidised training provider

If you like working in the ever-changing world of technology, then this is the qualification for you!

The Telecommunications industry has expanding employment opportunities. Students will learn how to assess installation requirements, plan and perform installations and much more.

The Australian Communications Media Authority (AMCA) for Cabling rules state it is a legal requirement to be appropriately registered in order to connect, install, repair and maintain cabling.

Course Delivery

The ICT30519 - Certificate III in Telecommunications Technology is delivered over 12 - 24 months. Trainers will deliver training at school and/or on the job with regular workplace visits.

Entry Requirements

- ✓ School Principal or authorised representative, must support and give approval for the SAT
- ✓ Some training and/or work must take place during school hours
- ✓ The employer, student and parent (if applicable and appropriate) must commit to the minimum paid work requirements
- ✓ The consent of the parent of guardian (if applicable and appropriate) is required where the student is under the age of 18

Eligibility Criteria

- ✓ Student currently attending school (Years 10, 11 or 12)
- ✓ Student progressing towards the attainment of a QCE or equivalent and a vocational qualification

*Prerequisites are ICTWHS204 - Follow work health and safety and environmental policies and procedures: and ICTTEN208 - Use electrical skills when working with telecommunications networks

**Prerequisites are ICTCBL247 - Install, maintain and modify customer premises communications cabling ACMA Open Rule, ICTTEN208 - Use electrical skills when working with telecommunications networks and ICTWHS204 - Follow work health and safety and environmental policy and procedures

User Choice Program

Under the User Choice program, the Queensland Government provides a public funding contribution towards the cost of training for eligible Queensland apprentices and trainees.

Aurora Training Institute is a Skills Assure Supplier under this program for the delivery of this Certificate III qualification as a traineeship pathway for new and existing employees.

Students attending school have only one opportunity for funding as a school-based apprentice or trainee under the User Choice Program.

For more information on the User Choice program visit the [Queensland Government](http://www.queensland.gov.au) website at www.desbt.qld.gov.au/training.

Co-Contribution Fee

When studying a School-based apprenticeship or traineeship you are exempt from paying co-contribution fees under the User Choice program whilst still at school but may be required to pay fees if the training contract is converted to full-time or part-time. Aurora Training Institute may advise you if exemptions apply.

The Co-Contribution Fee under the User Choice program is dependent on the elective choice. Fees are paid at a rate of \$1.60 per nominal hour. This fee represents the total cost to the student to enrol, undertake training and be awarded the qualification.

The contribution fee may be paid on behalf of the student by their employer or a third party unrelated to Aurora Training Institute.
