CEO MESSAGE

Welcome to our final Newsletter for 2020!

We are nearing the end of what has been an extremely challenging year for us as a community. The Education industry itself has taken a dramatic new direction and demanded a level of flexibility that has certainly kept us on our toes.

I want to thank all our Aurora students, clients and stakeholders, you are fundamental to our continued success and we could not have got through such a trying year without your unwavering support.

I also wish to express my heartfelt appreciation to my team. I am proud and inspired by the way you have risen to this challenge, your commitment, professionalism and solidarity have been evident. You are the best guarantee that, united, we will emerge from this crisis stronger.

We are clearly not 'out of the woods' yet and there is no doubt that this crisis is going to bring about irreversible changes in the way that we think and work ongoing. The Team at Aurora remain focused, passionate and determined to provide a quality education that will impact change now and into the future.

To you and your families, have a safe and wonderful holiday season and we look forward to welcoming you back in 2021!

Kindest Regards,
Stuart Love

REGIONAL WINNER!

2020 QUEENSLAND TRAINING AWARDS

Congratulations to our wonderful Trainer Robyn Cavanough who won VET Trainer of the Year - Darling Downs Region in the 2020 Queensland Training Awards! The Aurora community are so proud of you!

A few kind words from her student...

Robbie was amazing right from the very first phone call, she always had time to have a chat and see how I was doing. She also kept me on my toes if there was a bit of time in between submissions which was excellent considering I was 100% online!

I would 100% do any further educational learnings with Aurora Training and Robbie in the future and would recommend the team to anyone looking to further themselves.

STUDENT GRADUATE

It has been such a rewarding experience completing my School Based Traineeship and working here at Aurora Training Institute. I am so lucky to have worked with such an amazing team that have given me nothing but support and guidance throughout my journey.

Because of Aurora and the support from my trainer Renaye, I have achieved my Certificate III in Business Administration and my Diploma of Business! This is more than I ever expected I could. I am now looking to complete my Bachelor of Business at QUT!

I would have no hesitation in recommending Aurora Training Institute as a Training Provider of choice. Thank you for always pushing me to be the best I can be!

Matilda Reid

Student Graduate - BSB30115 - Certificate III in Business and BSB50215 - Diploma of Business

We would also like to congratulate Matilda for winning the 'Trainee of the Year' award at St Ursula's College! Outstanding achievement, well done Tilly!

STUDENT GRADUATE

I began my training journey with Aurora in Year 10 as a School Based Trainee studying a Certificate III in Business. I was so excited to start my Traineeship at Brumby's and be able to experience my first part time job. Not only was it good to have my own money, it taught me how to work in a team environment and gave me the knowledge and skills to work in a small business dealing with customers. I was even lucky enough to be accepted to stay on as a casual employee after I finished my traineeship!

This year, my last year of high school, I was lucky to have a spare period at school to undertake a Diploma of Business with Aurora and although a lot different to the Certificate III, the units I have studied will benefit my career aspirations. I am now going on to study a Bachelor of Architecture and Design at Griffith University!

Many thanks to Aurora and my two amazing trainers, Sara and Yvette, I couldn't have got through my training without them!
